Establish a Chapter

It's simple! There's no cost to establish your school or college chapter. Everything advisors need is available on our website - a chapter application, the Advisor HelpDesk, and "how to" audio visual guidelines.

Over 100 programs are recognized as career and technical education - everything from agriculture to website development. Recognize your outstanding students and local business/industry leaders with NTHS!

NTHS is dedicated to supporting members and alumni who plan to further their education by annually awarding over \$250,000 in scholarships.

We are proudly partnered with...

Mission

To honor student achievement and leadership, award scholarships, promote educational excellence, and enhance career opportunities for the NTHS membership.

Vision

To be the international leader in providing recognition for excellence in career and technical education.

"NTHS has added an outstanding, new dynamic to my school community. I directly get to extend the professionalism and leadership that is a staple of my program - and all CTE students within the school have the opportunity to be recognized locally and nationally as tomorrow's leaders."
